WE ARE YOUR HOME TEAM

Selling or buying a house — sometimes both at the same time — can be an amazing, life-changing experience. It can fulfill your dreams, alter the course of your destiny, and create the kind of memories that bring tears of joy to your eyes. It can also be stressful, overwhelming, and an I-just-can't-handle-all-of-this kind of event.

The Somerville Team knows this. That's why, we don't think of ourselves as *just realtors*. We are problem-solvers. We are dream makers. We are your home court advantage.

We handle and manage the unexpected and find solutions. We encourage and support you while cultivating opportunities and sealing deals. Just for you. We do everything in our power to make your experience less stressful, more enjoyable ... even *graceful*.

We know how to do this in a way like no other realtors. Our focus, experience and solid expertise — combined with sheer determination (and networking skills like nobody's business) — allow you to close old doors and open new ones.

**WE'RE YOUR HOME TEAM.
AND WE'RE READY TO WIN.**

THIS IS HOW WE DO IT

The Somerville Team isn't just a good team ... we're a great one. We work together to showcase properties in creative, innovative ways. And we insist on incorporating three key elements with every call we make, every client we represent, and every goal we meet.

TRUST

We earn it. Because we know that your home is a huge financial and emotional investment. Our top-notch reputation has been earned, because we serve our clients with integrity, respect and solid know-how. We live where we sell, so your community is our community. You can put your trust in us.

PASSION

We bring it. We provide impeccable service, business savvy and industry expertise - all with a strong dose of passion. And our clients know and feel it. With determination and immense enthusiasm, we plunge in and get down to business with every single property. You know how some people are obsessed with the latest fashions, a winning sports team or fancy electronic trends? We are obsessed with real estate. And luckily, it's also our job ... and we do it for you.

RESULTS

We deliver those, too. Because all of our customers want a home sold for the highest price in the shortest time period. So we conduct extensive, above-and-beyond research and do what's necessary to find out the scoop on properties - usually before they're even listed.

Whether it's with your home search or selling mission, we are ready to serve you. With passion, focus and drive, you can trust us to make your real estate process a positive and successful one. Give us a call ... we're on the same team!

THIS IS WHO WE ARE

Our full-time, fully-licensed team has over 40 years of combined experience — including fourth-generation agents. We are affiliated with RE/MAX (the choice of buyers and sellers over all other agencies), and we work tirelessly to represent you — doing everything in our power to see your real estate dreams come to life. *We are your home team.*

LIBBY SOMERVILLE

With unmatched tenacity, Libby continues to be one of Central Indiana's top-producing real estate agents. She has a sincere, insatiable curiosity, and loves meeting new people and discovering "their stories." Her goal? To find exactly what the

buyer wants and needs to be happy in their new home, no matter the price range. Her expertise, combined with her straight-shooter approach and zest for life, makes her a favorite among both buyers and sellers. Libby shares her know-how — and extensive community network — every step of the way.

KIM BAXTER

Unrivaled expertise, combined with an impeccable reputation for going above and beyond for his clients, are two top qualities that Kim Baxter offers his clients. He is a fourth-generation Indianapolis real estate professional, and has witnessed the evolution of the

market first-hand, which enhances his business savvy and industry knowledge. His unparalleled negotiation skills help clients realize their real estate goals, and he genuinely cares about delivering the best of services while relieving the stress and worry that often come with buying or selling a home.

STEEVE CLIFTON

Steeve Clifton is a real estate explorer, in that she likes to dig into the market and find out what others don't know. An excellent communicator, she is always available to her clients, and is straightforward and honest throughout the buying or selling

process. Her passion for photography, architecture, competition and relationship-building are elements she incorporates into her role as your agent. In fact, building strong bonds while appreciating home styles and features drive each and every opportunity Steeve encounters. She is a good listener, and thrives on working closely with her clients to achieve positive results.

ZACH JOHNSON

Somerville Team Office Manager Zach Johnson is a driving force behind the Team's success, and serves as a skilled liaison for our clients and the community. With residential construction experience under his belt, he throws himself into his work,

consistently delivering his best in dedicated service and consummate performance. Fostering and developing positive and supportive relationships with our clients is always the goal, as he collaborates team efforts and enhances our buying and selling efforts like no other.
